Coeur d'Alene Youth Orchestra Participation Policy

The Coeur d'Alene Youth Orchestra organization believes its success depends on families remaining committed to the musical education of their children. We recognize and value the vital role played by music educators, both private and public, in the training of our musicians. The Coeur d'Alene Youth Orchestra expects all its members to participate in their school music programs and strongly encourages youth to study privately. Youth orchestras, school music programs and private teachers share the common goal of training the next generation of musicians, audience members and arts supporters.

Students who elect not to participate in their K-12 school music program for whatever reason must petition the Coeur d'Alene Symphony Orchestra Organization to be excused from this policy. The CJO/CYO conductor may contact the prospective students' K-12 school music instructor to discuss this waiver. The CJO/CYO conductors' decision is final.

I have read and understand the CDAYO participation policy. I hereby petition the CDAYO to allow me to participate in the 2011-2012 season.
